

# Privacy policy

car-auction-guide.com pays great attention to the protection of personal data of its users. Users of car-auction-guide.com can view the site's pages without providing any personal data about themselves. However, in order to provide services related to the purchase of goods presented on our website, we need your contact information so that we can contact you and confirm the order. We do not transfer your personal data to third parties and protect their confidentiality.

## 1. General provisions

1.1 This privacy policy establishes the procedure for obtaining, storing, processing, using and disclosing the User's personal data. We receive the User's personal data from the User when placing an order through the website's order form. The User's personal data is filled in by the User (when placing an order). Mandatory information for providing the service is marked in a special way. Other information is provided by the User at his discretion.

1.2 Confidentiality of personal data is a mandatory condition for the store to comply with access to the User's personal data, with the requirement not to allow their distribution without the User's consent or the presence of another legal basis.

1.3 The User's use of the car-auction-guide.com site means agreement with this Privacy Policy and the terms of processing the User's personal data.

1.4 In case of disagreement with the terms of the Policy, the User must stop using the car-auction-guide.com website.

1.5 This Policy applies only to the site car-auction-guide.com. car-auction-guide.com does not control and is not responsible for third-party sites to which the User may go through the links available on the car-auction-guide.com website.

1.6 The website administration does not verify the authenticity of personal data provided by the website user.

## 2. Personal data

2.1 car-auction-guide.com collects personal data, namely: email address.

2.2 Other information is provided by the User at his discretion.

2.3 car-auction-guide.com does not collect users' IP addresses.

## 3. Purposes of collecting and processing personal data of users

3.1 car-auction-guide.com collects and stores only those personal data that are necessary to provide services for the sale and delivery of the goods ordered by you.

3.2 car-auction-guide.com collects data for communication with the User, including the submission of a corresponding notification about the provision of the service/

3.3 The processing of the User's personal data is carried out without a time limit, in any legal way.

## 4. Conditions for providing access to the database

4.1 We do not transfer the User's personal data to third parties except in the cases specified by the legislation of Ukraine.

4.2 Disclosure of the User's personal data is carried out when the User orders goods at car-auction-guide.com.

4.3 In case of loss or disclosure of personal data, car-auction-guide.com informs the User about the loss or disclosure of personal data.

4.4 car-auction-guide.com takes the necessary organizational and technical measures to protect the User's personal information from illegal or accidental access, destruction, distortion, blocking, copying, distribution, as well as from other illegal actions of third parties.

## 5. Change of Privacy Policy

6.1 We have the right to change the terms of the Privacy Policy. In this case, we will replace the version of the document on the Privacy Policy page. Please review these terms periodically to be informed of how car-auction-guide.com protects the personal data of its users.

## 6. Feedback. Questions and suggestions

7.1 All suggestions or questions regarding this Policy should be reported to the car-auction-guide.com user support service at [carauktionguide75@gmail.com](mailto:carauktionguide75@gmail.com)
